

Havering Dolphins Swimming Club

Dear Parent/Guardian,

Welcome to Havering Dolphins Swimming Club

On behalf of the Club, I would like to welcome your child and provide you with some information about our activities. All coaching is by qualified coaches who are trained and have been screened for their suitability for working with young people and our teaching staff and helpers will do everything possible to encourage your child to develop their skills in the water.

We value and encourage the support of our swimmers' families, who are welcome to attend all training and competitions. We are keen to try to involve them in the club and share our success and we will work hard to resolve any concerns in order to ensure that our club provides a safe and happy environment for everyone.

Please ensure that your child arrives at the training venue in time for us to start the session promptly. Should you not stay to watch please ensure that you return on time to collect them. In cases of emergency please try to contact the Coach or another parent so that we know what is happening.

Please could you send an email to HaveringDolphins@gmail.com, subject contact address containing both your name and the name(s) of your child(ren). If you wish to receive club information to more than one email address please send from each account.

The Club's preferred form of payment is by monthly standing order. We understand that there may be reasons why this is not possible, but we would encourage you to pay by this method if possible.
